

Dee-Mack Moms Who Care

Dee-Mack Moms Who Care is an opportunity for Dee-Mack High School to embrace a culture and sense of community within the school. The needs of fellow High School students may come in the form of hygiene products, clothing, or school supplies. Just as we reach out to our neighbors in the communities we live in, our students have the opportunity to make a difference in each other's lives, and more importantly, become each other's finest assets. Giving of one's time, donating items in need, as well as caring for each other, are behaviors that can positively affect the future of all the students.

Parents can get involved by donating items or their time to organize and maintain donations. Here is a list of suggested donation items:

Hygiene Items - shampoo/conditioner, hair styling products, brushes/combs, flat irons/curling irons, hair ties/clips, boys/girls deodorant, face wash or towelettes, liquid body soap, makeup remover, perfume or body spray for guys and girls, tooth brushes, mouth wash, contact solution, nail polish remover, nail polish, sanitary items, body/hand lotion

Clothing - Dee-Mack apparel. *New or gently used* clothing such as jeans, t-shirts, sweatshirts, sweaters for guys/girls, gym shoes, casual shoes, purses. *New* socks, underwear, bras, boxers

School supplies - pens, paper, spiral notebooks, note cards, highlighters, calculators, folders, book bags
